

RESSORTS INDUSTRIELS SA (RISA) manufactures semi-finished and finished products exclusively from metallurgical products (raw materials).

COMPLIANCE WITH REACH REGULATION (EC) NO. 1907/2006

We, RESSORTS INDUSTRIELS SA (RISA), declare that our products comply with the requirements of Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

In accordance with Article 33 of this regulation, we confirm that our products do not contain any substances on the list of Substances of Very High Concern (SVHC) published by the European Chemicals Agency (ECHA) in concentrations greater than 0.1% (w/w). Should any of our products contain such a substance, we undertake to inform our customers and provide all the necessary information in accordance with regulatory requirements.

COMPLIANCE WITH DIRECTIVE ROHS 2011/65/UE AND ROHS II (EU) 2015/863

We also certify that our products comply with the requirements of Directive 2011/65/EU (RoHS) and its amendment (EU) 2015/863, restricting the use of certain hazardous substances in electrical and electronic equipment. Our products do not contain, or contain below the regulatory thresholds, the following substances:

- Lead (Pb)
- Mercury (Hg)
- Cadmium (Cd)
- Hexavalent chromium (Cr6+)
- Polybrominated biphenyls (PBB)
- Polybrominated diphenyl ethers (PBDE)
- Bis(2-ethylhexyl) phthalate (DEHP)
- Butylbenzylphthalate (BBP)
- Dibutylphthalate (DBP)
- Diisobutylphthalate (DIBP)

REMARKS

This declaration of conformity is based on information provided by our suppliers and we consider this information to be reliable. However, we accept no responsibility for the accuracy or authenticity of the data provided.

Products manufactured at the customer's request from non-compliant materials (e.g. alloys containing lead) or treated by non-compliant processes (e.g. yellow/black zinc plating) are excluded from the declaration. Changes made to products during subsequent processing are not covered by this declaration.

Interested parties are themselves obliged to check the quality and properties of the products and must also check whether the product is fit for purpose.

This declaration has been drawn up on the basis of current legislation and is regularly updated.
